Dear Mansfield ISD Staff,
We would like to extend an invitation for you to join the Employee Giving Campaign for the Mansfield ISD Education Foundation. The Mansfield ISD Education Foundation is a non-profit organization dedicated to supporting our teachers and enhancing the educational experiences of our students. Your contribution, no matter how large or small, makes a difference. You are the reason our students are able to have additional resources that encourage innovative learning. Your contributions encourage hands-on, practical applications. *YOU* are making a difference by supporting grants across the district!

A little about the foundation...

The Mansfield ISD Education Foundation is a 501(c)(3) charity organization whose sole purpose is to support the schools, teachers, and students of Mansfield ISD. For 25 years, we have collaborated with the community to provide funding that goes beyond what tax payer dollars provide. Every school in MISD has received grants from the MISD Education Foundation. Since 1998, we have funded over \$5,000,000 in grants for programs that otherwise would not have been funded.
